Subject: Coyote Station

Hi David,

Thanks for talking to me about your process for responding to the EPA's comments on the Coyote Station TV renewal. To answer your question, if you re-propose the permit with a new 45 day EPA review you will not need to re-issue a draft 30 public review (unless ND makes significant changes to the permit). Let's keep in touch about a future call to discuss how ND plans to respond.

Thanks,

Patrick Wauters
